

Commuter Check Card Prepaid MasterCard® for Transit Expenses

www.benesyst.net

It's easier than ever to pay for transit with pre-tax dollars!

What is the Commuter Check Card Prepaid MasterCard®?

A re-loadable debit card that can be used for purchasing transit products. These cards are very convenient and easy to use. You will receive one card which is funded monthly with a specified amount. No more waiting in line, and no more saving receipts!

Commuter Check Card Prepaid MasterCard for Transit is accepted at transit agencies, fare vending machines, and designated transit retail centers where **only** transit products are sold. Use your Card the same way you would use a credit card at your local transit agency.

You can only use the Commuter Check Card for commuter products as defined by the tax code that governs this benefit program.

When are funds available?

Once you place your order at www.benesyst.net by the 10th of the month, funds are available on your card by the 23rd of the month for use towards the following month's transit expenses.

For example, if you place your order by January 10, funds will be available by January 23rd. You can use these funds to purchase transit passes, tickets and smartcards for use in February.

How much money can I load to my card?

The Card is available from \$10 to \$700 a month. You may use your card for up to six transactions or up to \$600 each day.

What happens to unused balances?

Unused balances at the end of the month will carry over to the next month.

When does my card expire?

Your card expires 36 months from the time of issue. If the card is still active and contains funds at the time of expiration, your card will automatically be replaced.

Where can I use my card?

You can use your transit commuter check card to pay for eligible transit expenses where MasterCard debit cards are accepted.

If given the option of selecting debit or credit at the time of purchase, always select credit. There is no PIN associated with your card. No cash advances or withdrawals are available.

What happens to my funds if I close my account?

Please call 866-264-2440 and speak with a customer service representative to close your account. The funds will be returned to your shopping cart for purchase of another type of transit product during your credit delay period. If you do not use the credit for another type of transit product within the credit delay period, the credit will be returned to your employer.

You can add funds to your card online at www.benesyst.net. You must make your selections by the 10th of the month to have funds loaded to your card by the 23rd of the month.

Placing a Card Order

From your Commuter benefits homepage select **"transit order"** from the menu on the left.

Next, under **Select your Greater Metropolitan Area**, select your city from the drop down menu.

Under **Select your Provider**, select **Commuter Check Prepaid MasterCard** from the drop down menu.

On the **Confirm Your Product Choice** screen, enter the value you would like loaded onto your card and answer two security questions for identity verification.

Confirm your order and account settings, review the card terms and conditions and click Purchase. Be sure to verify your address.
